- 2.1.4. **Leaderboard Points:** A Team accumulates points based on performance throughout the season. These points determine whether a Team qualifies for the Last Chance Qualifier.
- 2.1.5. **Player:** Refers to an individual who is competing in the Tournament as a member of a Team.
- 2.1.6. **Team:** Refers to a Clan of two (2) or three (3) Players who have joined together to participate in the Tournament. For Town Hall Cups levels 15 and 12, a Team will consist of three (3) Players, and for Town Hall Cups level 9, a Team will consist of two (2) Players.
- 2.1.7. **Match:** Refers to an official Tournament War between two (2) Teams.

- 2.1.12. **Ladder:** Teams compete in a monthly in-game ladder and gain or lose Elo points based on wins and losses. At the end of the ladder play period, the one hundred twenty-eight (128) Teams with the most points advance to the following Monthly Qualifier.

2.2. Rules Translation

- 2.2.1. These Rules have been translated into several languages to accommodate a diverse Player base. The English version of this document will be treated as the primary source of truth in case of a Rules dispute or inconsistency in Rules translation.

2.3. Rule Changes

- 2.3.1. The Organizer reserves the right to amend, remove, or otherwise change the rules outlined in this ruleset without further notice.

- 2.3.2. The Organizer reserves the right to arbitrate in cases not explicitly covered or detailed in the Rules, or in extraordinary instances, even if they may go against the Rules, to preserve Fair Play and Sportsmanship.

2.4. Confidentiality

- 2.4.1. All content, including disputes, support tickets, discussions, and/or any other correspondence with Administrators, is deemed strictly confidential. Publishing such material is prohibited without prior written consent from the Organizer. Publication of the material above without prior written consent may result in penalties.

3. Participation Eligibility, Requirements, and Restrictions

3.1. Game Version

- 3.1.1. To participate, all Players must install and compete using the most current game version, which must be available in their local region. Updates must also be installed before the Tournament starts.

3.2. Required Town Hall Level

- 3.2.1. All Players must own and use an account at the respective Town Hall level required for each competition. **Players with an account at a level other than the required Town Hall level cannot participate.**

- 3.2.1.1. Tournaments will operate on Town Hall levels 9, 12, and 15.

3.3. Required Clan Level

- 3.3.1. All Teams must use a level one (1) Clan for each competition. Teams with a Clan level higher than one (1) are not eligible to participate and will need to create a new Clan.

3.4. Ineligible Troops

- 3.4.1. Players are only permitted to use troops unlocked at their specific Town Hall level. Clan members may not donate troops that Players would not normally have access to at that Town Hall level. Any troop unlocked at a higher Town Hall level than the one the Team is competing in will be considered ineligible for play.

- 3.4.1.1. **Example:** If a Team is competing in the Town Hall level 9 competition, Clan members may not donate Electro Dragons, as Electro Dragons are not unlocked until Town Hall level 11.

- 3.4.2. If a Player is found using an ineligible troop, their Team will receive a loss for that match. Repeated use of ineligible troops will result in disqualification from the remainder of that month's competition.

3.4.3. If you suspect that your opponent used an ineligible troop during your match, please review the attack replay. If you confirm that an ineligible troop was used by your opponent, record evidence (e.g., a screen recording) and submit it through a support ticket on Discord for review by Tournament Administration.

3.4.3.1. An example of valid evidence for ineligible troop usage can be found in the **#ineligible-troops** channel on Discord.

3.4.4. **Note:** For the ladder phase, all match-related issues must be reported within two (2) hours of the ladder ending.

3.5. Age Limitations

3.5.1. Players must be sixteen (16) years of age or older to participate. However, any player aged sixteen (16) to seventeen (17) (sixteen (16) to eighteen (18) in South Korea) must confirm on their verification form that they have parental or guardian consent to participate in this event.

3.5.1.1. Players residing in China must be eighteen (18) years or older to participate.

Eligible Players must fill out all required portions of the verification form to be eligible to play in the Monthly Finals. The form will be available after the Monthly Qualifier is completed. **All Players must complete the form within twenty-four (24) hours of the Monthly Qualifier ending. If a Player fails to complete the form, that Player will not be eligible to compete in the Monthly Final**

3.5.3. Proof of Identity

3.5.3.1. Players who compete in the Tournament must provide proof of identity. Failure to provide proof of identity may result in disqualification from the Tournament. The Administrators reserve the right to verify an eligible Player's information at any given time if deemed necessary.

3.5.3.2. This process ensures that eligibility requirements, including age restrictions, are met and that participation and prizing are attributed to the correct individual.

3.5.3.3. During the verification process, Players must submit an acceptable photo ID to Administrators to verify their identity. The photo ID must include the Player's full name and date of birth. Accepted forms of ID include:

- 3.5.4.2. Players must be the sole owners of the Clash of Clans account used to participate in the tournament. Players are only allowed to participate in the Tournament on a single account. Account sharing is strictly prohibited and will not be allowed under any circumstances. Players who are found sharing the account or breaching any other aspect of Supercell's [Terms of Service](#) before, during, or after the Tournament will be removed from the competition, and appropriate action will be taken on their Clash of Clans account.
- 3.5.4.3. Players competing in the Clash of Clans World Championship Tournament will not be eligible for the Town Hall Cups competitions for Town Hall levels 9, 12, and 15.
- 3.5.4.4. At any given time, Players may compete in only one (1) Town Hall Competition per month. e.g., if you compete in Town Hall Cups level 9, you can not participate in Town Hall Cups level 12 in the same month.
- 3.5.4.5. If a Player qualifies for the Last Chance Qualifier or Town Hall Cups Finals, they will be required to remain at the Town Hall level that they qualified for. If a Player levels up their Town Hall level before the Last Chance Qualifier or Town Hall Cups Finals, their Team will be disqualified.
 - 3.5.4.5.1. For example, if a Team qualifies for the Town Hall Cups Finals of Town Hall level 9, the Players of the Team must remain at Town Hall level 9.
- 3.5.5. If a Player is found to violate any aspect of Supercell's Terms of Service, on any of their accounts, the Player may be punished up to, and including, exclusion from competing in future Clash of Clans Town Hall Cups Tournaments.

- 3.6.1. **Registration Period:** Registration for each competition season is available only during the period outlined in [Section 5.1](#).
- 3.6.2. During the Registration Period, the Clan Leader must select the Team roster, and all selected Players must register for the competition. **Registration for Teams will carry over each month; as**

such, Teams will not need to re-register each month. Teams will still need to perform Tournament and Match Check-ins.

3.6.2.1. The Captain of the Team must be the Clan Leader or Co-leader and will be required to start all wars.

3.6.3. **Ladder, Monthly Qualifier, and Monthly Final:** Teams competing in the Ladder must register a roster of at least two (2) or three (3) Players during the registration period, depending on the Town Hall level at which they are competing.

3.6.3.1. For Town Hall levels 15 and 12, Teams must register three (3) eligible Players to compete.

4. Tournament Breakdown

4.1. Stages & Format

4.1.1. The Tournament will consist of three (3) monthly seasons, each with three (3) stages. Stages include the Ladder, Monthly Qualifier, and Monthly Final. The regular online season will then conclude with the Last Chance Qualifier.

| Stage | Number of Teams | Qualify for Next Stage |
|-----------------------|-----------------|------------------------|
| Ladder | Open to all | 128 |
| Monthly Qualifier | 128 | 8 |
| Monthly Final | 8 | 2 |
| Last Chance Qualifier | 8 | 1 |

4.1.2. Stage 1: Ladder

4.1.2.1. Each Town Hall Cups level will have its own Ladder.

4.1.2.2. To participate in the Ladder, two (2) Players for Town Hall level 9 or three (3) Players for Town Hall levels 15 and 12 must complete registration through the in-app Tournament Hub. All Players on the Team must be a part of the Clan associated with their Team to participate in Ladder matches, and the Captain of the Team must be a Leader or Co-Leader of the Clan the Team is associated with.

4.1.2.3. All Teams begin with one thousand (1000) Elo points. The number of points gained or lost after each match varies based on the point differential between both Teams. The

points system is based on the Elo rating system. Teams are placed on the ladder leaderboard after their first match and gain or lose points starting with that match.

- 4.1.2.3.1. For example, if a Team is ranked first on the ladder and is paired against the lowest-ranked Team, the higher Team would earn only a few points for winning the match. However, if the lowest-ranked Team wins the match, their Team would gain many points.
- 4.1.2.4. At the end of the ladder play period, the one hundred twenty-eight (128) highest-ranked Teams on the Ladder leaderboard will advance to the following Monthly Qualifier.
- 4.1.2.5. A Team's final Ladder placement is determined by the number of Elo points it has earned after completing all Ladder matches.
- 4.1.2.6. In the event of a tie in Elo points, the following tiebreakers will determine the final Ladder placement:
 - 4.1.2.6.1. Highest Average Star Total
 - 4.1.2.6.2. Highest Average Destruction Percentage
 - 4.1.2.6.3. Fastest Average Attack Duration
 - 4.1.2.6.4. Head-to-Head single-elimination competition
- 4.1.2.7. Teams can search for a match at any time during the five (5) day ladder play period. Teams can participate in a maximum of twenty (20) matches during the ladder play period.
- 4.1.2.8. Teams can search for a match through the Tournament Hub by tapping the "Find Match" button. They will then be paired against another Team that is also in matchmaking. Teams are paired against each other, prioritizing their current Elo points so that Teams quickly find an opponent around their skill level.
 - 4.1.2.8.1. Teams will not be able to find a match if their Clan is in an ongoing War, including Clan Wars, Friendly War, or Clan Wars League War.
 - 4.1.2.8.2. Teams will not be able to find a match if any of the two (2) or three (3) Players, depending on the Town Hall level, are participating in a Friendly War in another Clan.
 - 4.1.2.8.3. To prevent free-win trading, a Team may not play against the same opponent more than once during the ladder play period.
- 4.1.2.9. Free win trading or any other attempt to manipulate the ladder leaderboard is strictly prohibited. If the Organizer has determined that a Team has maliciously manipulated

the ladder leaderboard, that Team will be subject to penalties up to and including a competitive ban.

4.1.3. Stage 2: Monthly Qualifier (128-Team Double Elimination)

- 4.1.3.1. Each Town Hall Cups level will have its own Monthly Qualifier.
- 4.1.3.2. A qualified Team is defined as one that placed in the top one hundred twenty-eight (**128**) during the preceding Ladder competition. Based on their final placement in the Ladder, qualified Teams will be automatically seeded into the bracket.
- 4.1.3.3. The bracket will be played until eight (8) Teams remain: four (4) from the upper bracket and four (4) from the lower bracket. Five (5) rounds of the upper bracket and nine (9) rounds of the lower bracket will be played. Teams are eliminated after two (2) losses. **Once all rounds have been completed, the eight (8) Teams remaining will advance to the Monthly Final.**
- 4.1.3.4. Team Captains must complete Tournament Check-In before the first round begins by tapping the “Check-In” button through the in-app Tournament Hub. Tournament Check-in is available two (2) hours before round one (1) begins and ends ten (10) minutes before round one (1) begins.
 - 4.1.3.4.1. In the event of a technical issue, the Team Captain must immediately escalate it to the Administrators via a Discord ticket. At the start of each round, the Administrators will announce the deadline for reporting an issue with their match. Team Captains must report the issue to the Administrators before the announced deadline, or risk the match outcome becoming finalized.
- 4.1.3.5. Attacks must follow the Attack Order requirement outlined in [Section 4.2.3](#).

4.1.4. Stage 3: Monthly Final (8-Team Double Elimination)

- 4.1.4.1. Each Town Hall Cups level will have its own Monthly Final.
- 4.1.4.2. Each Monthly Final will award a Golden Ticket to the top two (2) Teams.
- 4.1.4.3. To be eligible to compete in the Monthly Final, Players must have completed their verification form, detailed in [Section 8.1](#).
- 4.1.4.4. The Monthly Finals is an eight (8)-Team one (1) day double-elimination tournament hosted through the Tournament Hub.
- 4.1.4.5. Seeding for the first Monthly Final will be determined based on the Team’s placement in the Monthly Qualifier and their Ladder placement. Subsequent Monthly Finals will be seeded based on the Team’s placement in the Monthly Qualifier and their Leaderboard Points earned.

4.1.4.5.1. Teams will be divided into two (2) Buckets (Bucket A & Bucket B), based on their final position in the Monthly Qualifier, whether they are in the Upper or Lower Bracket.

4.1.4.5.2. During the First Monthly Final, Teams will be sorted within each bucket by their Ladder Placement. Subsequent Monthly Finals will have each bucket be sorted by Leaderboard Points, outlined in [Section 4.3](#).

4.1.4.5.3. If Teams are tied in Leaderboard Points within the same bucket, a tiebreaker is used based on the Team's Ladder placement that month.

4.1.4.5.4. If a Team is disqualified from the Monthly Final, the next eligible Team will take their place and be placed into Bucket C with the lowest seed. If a Team's standing is shared with other Teams in their bucket (for example, ninth (9th) to twelfth (12th) place), the following tiebreakers will be applied:

Tiebreaker 1: Average Stars Earned

Tiebreaker 2: Average Destruction Percentage

Tiebreaker 3: Average Attack Duration

4.1.4.5.5. In this scenario, Bucket C is required. Seeding will first take place between Teams in Bucket A and Bucket C until there are no Teams left in Bucket C. After that, the remaining Teams will be matched against Teams in Bucket B as permitted.

4.1.4.6. All Players competing in the Monthly Final are required to comply with the Broadcast Webcam Requirements outlined in [Section 8.2](#).

4.1.4.7. All Players competing in the Monthly Final are required to comply with the Competitive Integrity Webcam Requirements outlined in [Section 10.2](#).

4.1.4.8. Players are required to check in one (1) hour before the first Monthly Final match of the day with a Tournament Administrator to verify that they are available and ready for the Tournament.

4.1.4.9. Attacks must follow the Broadcast Attack Order requirement outlined in [Section 4.2.3](#)

4.1.4.10. If a Grand Finals Bracket Reset occurs, the Home and Away Teams from the Grand Finals will be swapped. More information can be found in [Section 4.2.4.4](#).

4.1.5. **Last Chance Qualifier (8-Team Double Elimination)**

4.1.5.1. Each Town Hall Cups level will have its own Last Chance Qualifier tournament.

4.1.5.2. The Last Chance Qualifier will award a Golden Ticket to the winning Team.

- 4.1.5.3. The Last Chance Qualifier is an eight (8)-team one (1)-day double-elimination tournament between the top eight (8) Teams in Leaderboard Points that have not qualified for the Town Hall Cups Finals. These Teams will be seeded based on their leaderboard position.
- 4.1.5.4. The Last Chance Qualifier will take place on the dates below:
 - 4.1.5.4.1. **Town Hall level 9:** 2 October
 - 4.1.5.4.2. **Town Hall level 12:** 3 October
 - 4.1.5.4.3. **Town Hall level 15:** 4 October
- 4.1.5.5. All Players competing in the Last Chance Qualifier are required to comply with the Broadcast Webcam Requirements outlined in [Section 8.2](#).
- 4.1.5.6. All Players competing in the Last Chance Qualifier are required to comply with the Competitive Integrity Webcam Requirements outlined in [Section 10.2](#).
- 4.1.5.7. Players are required to check in one (1) hour before the first match of the day with a Tournament Administrator to verify that they are available and ready for the Tournament.
- 4.1.5.8. Attacks must follow the Broadcast Attack Order requirement outlined in [Section 4.2.3](#)
- 4.1.5.9. If a Grand Finals Bracket Reset occurs, the Home and Away Teams from the Grand Finals will be swapped. More information can be found in [Section 4.2.4.4](#).

4.2. Match Format

4.2.1. War Settings

Town Hall 15 and 12

- **Esports Mode:** Enabled
- **Preparation Period:** 5 Minutes
- **Battle Period:** 30 Minutes
- Attacks must follow the Attack Order requirement outlined in [Section 4.2.3](#).
- For the Monthly Qualifier, Monthly Final, Last Chance Qualifier, and Town Hall Cups Finals, Clans must consist of only the three (3) participating Players.
 - Administrators and approved spectating accounts may also be required to join the Clan.

- For the Monthly Qualifier, Monthly Final, Last Chance Qualifier, and Town Hall Cups Finals, Clans must consist of only the two (2) participating Players.
 - Administrators and approved spectating accounts may also be required to join the Clan.

4.2.2. Match Scoring and Tiebreakers

After each War has been completed, the winning Team is determined by the following criteria (in order):

1. Highest Star Total
2. Highest Destruction Percentage
3. Fastest Average Attack Duration

Tiebreaker Round: If Teams are still tied after considering the above criteria, Teams will compete in a Best-of-1 Friendly Challenge in Esports Mode. Each Team will elect one (1) Player to participate using one (1) attack per Player. The above criteria are applied to the results of this Friendly Challenge. This process repeats until a clear winner can be determined.

- In the event of a tie, both Teams must coordinate to facilitate the Best-of-1 Friendly Challenge. Once the Best-of-1 Friendly Challenge is complete, Teams must submit a ticket confirming the match outcome. The Administrators will then confirm the result and report the match outcome.
- During the Best-of-1 Friendly Challenge, the same base layout that was used in the War that was tied must be used again.

4.2.3. Attack Order

The Attack Order designates the time each Player must initiate their attack during a War.

War Time Remaining refers to the in-game timer at the top of the War screen that starts counting down once the Battle Period begins.

Home Team (blue) refers to the Team with the better seed (lower number) in the stage the match is being played in.

Away Team (red) refers to the Team with the worse seed (higher number) in the stage the match is being played in.

If a War occurs outside the Tournament Hub, the Tournament Administrators will inform both Teams of which Team is the Home Team and which is the Away Team.

During the Monthly Qualifiers, Teams do not need to declare the order of their Attackers.

Players must start their attacks within fifteen (15) seconds before or after the listed time remaining above, regardless of the status of their opponent's attacks. Players may screenshot and report Teams that fail to adhere to these timings. Depending on the frequency and severity of violations, the Organizer may issue warnings, losses, or disqualifications to offending Teams.

4.2.4. Broadcast Attack Order

- 4.2.4.1. During Monthly Finals, the Last Chance Qualifier, and Town Hall Cups Finals, the Attack Order is slightly adjusted to accommodate matches being broadcast by official Creators.
- 4.2.4.2. Teams must declare the order of their Attackers and which base each Player is attacking to the Administrators. This order must be submitted to the Administrators before the War Time Remaining reaches 40 minutes 0 seconds. Teams that fail to submit their Attack Order on time or fail to adhere to their submitted order will be penalized and may be assigned a random attacker and defender order.
- 4.2.4.3. Instead of using the Attack Order Timetable, Players will be directed by Administrators to start each attack in the Clan chat.
- 4.2.4.4. The seeding will remain the same for the Grand Finals. If a Grand Finals Bracket Reset occurs, the Home and Away Teams from the Grand Finals will be swapped.
 - 4.2.4.4.1. For example, if a Team were the Home Team during the Grand Finals Match, they would be the Away Team for the Grand Finals Reset Match.

4.2.5. Clan Member Restrictions

- 4.2.5.1. During the Monthly Qualifiers, Monthly Finals, Last Chance Qualifier, and Town Hall Cups Finals, Clans must consist of only the three (3) or two (2) officially registered Team Members. **Participating Clans must be reduced to the three (3) or two (2) officially registered Team Members before the first match of the day begins.**

- 4.2.5.4. Excluding Administrators and official spectating accounts, Teams found to have more than the three (3) or two (2) officially registered Team Members present in their Clan may be subject to disqualification.
- 4.2.5.5. When Teams are not actively playing matches during the Town Hall Cup, Players may leave their clan.

 - 4.2.5.5.2. During all other portions of the Tournament, Players must rejoin the Clan one (1) hour before match Check-in begins.

- 4.2.7.1. Players are restricted from participating in the Tournament with the PC version of Clash of Clans. Players must compete using a mobile device.

4.2.8. Failure to Appear / No Show

4.2.10.2. Teams that have earned a Golden Ticket by placing top two (2) in a Monthly Final cannot earn a Golden Ticket in another Monthly Final. If a Team that already has a Golden Ticket places top two (2) in another Monthly Final, the next eligible Team will receive the Golden Ticket.

4.4.1.1. Registration:

Participating Players must be at the required Town Hall level for their respective Town Hall Cups Tournament. Failure to fully complete registration will render the Player and the Team ineligible to participate.

During the Monthly Qualifier, any Team that encounters an issue or has a dispute during their match is required to escalate the issue to the Tournament Administration during the current match or right after the match has concluded, but before the issue report deadline, which will be announced at the start of each round of the competition. Team Captains must report the issue to the Administrators before the announced deadline or risk the match outcome becoming finalized.

4.4.1.4. **Active War:**

Clans cannot be in another War at the same time.

4.4.1.6. **Town Hall Level Change During Competition**

All Players on a Team must maintain their Town Hall level for the duration of the Tournament. For example, Town Hall Cups level 9 competitors must remain at Town Hall level 9 throughout the ladder, Monthly Qualifier, and Monthly Final.

In addition, if a Team qualifies for the Last Chance Qualifier and the Town Hall Cups Finals, the Players are required to maintain their Town Hall level to be eligible to compete in these Tournaments.

11.2. **Fair Play**

All Teams and Players participating in the Clash of Clans Town Hall Cups are subject to Supercell's Safe and Fair Play policies. Violations of the Terms of Service ("**ToS**") or any actions that compromise competitive integrity will result in penalties as outlined below.

11.2.1. **Core Principles**

To ensure clarity and competitive integrity, the following principles apply:

- A ToS Ban applies to the game account.
- A Disqualification applies to the Player (the individual behind the account).
- Player infractions and Team infractions are tracked separately.
- Team infractions accumulate regardless of which Player caused the violation.

Any confirmed violation will result in both:

- A Player Infraction (applied to the individual), and

- A Team Infraction (applied to the Team they represented at the time).

11.2.2. **Player Infractions**

If a Player receives a ToS Ban on any account, the following disqualification structure applies:

- **First Offense:**
 - Disqualified from the remainder of the current Qualifier and the following Qualifier.
- **Second Offense:**
 - Disqualified from the current Qualifier and the next three (3) Qualifiers.
- **Third Offense:**
 - Disqualified from all competitions for one (1) year.
- **Subsequent Offenses:**
 - Each additional offense results in a one (1) year disqualification.

Player infraction history applies to the individual (not the account) and carries across seasons unless explicitly reset by the Organizer. After the disqualification period ends, the Player may return using any eligible account.

11.2.3. **Team Infractions**

Each Player disqualification also counts as a Team infraction for the Team they represented at the time.

Team infractions are tracked only within a single competitive season.

- **First Offense:**
 - The Team retains all of their Leaderboard Points.
 - The Team is removed from the current Qualifier.
- **Second Offense:**
 - The Team loses one-third (1/3) of its total Leaderboard Points.
 - The Team is removed from the current Qualifier.
 - The Team may not use a substitute Player.
- **Third Offense:**
 - The Team loses all Leaderboard Points.
 - The Team is removed from the current Qualifier.
 - The Team may not use a substitute Player.
- **Subsequent Offenses (within the same season):**
 - Same penalties as the third offense will apply.

11.2.4. **Interaction Between Player and Team Infractions**

Each disqualification event will result in both a Player Infraction and a Team Infraction.

A Player Infraction is applied to the individual responsible for the violation, while a Team Infraction is applied to the Team that the Player was representing at the time of the offense.

These two systems operate independently but are always triggered simultaneously by the same incident.

While Player Infractions are tied to the individual and may carry across multiple seasons, Team Infractions are specific to the competitive season in which the violation occurred. Teams are therefore accountable for the conduct of all Players representing them during the Tournament, regardless of which individual committed the violation.

11.2.5. **Retrospective Application**

To ensure consistency and fairness across competitive seasons, the Organizer may apply the Player Infraction structure retroactively. Any Player who was previously suspended during the 2025 season will be considered to have already reached the second offense level if they commit a new violation during the 2026 season.

Players who were suspended between April and July 2025 may return for the first Qualifier of 2026 under this Player's second-offense status.

Players who were suspended in August 2025 or during LCQ may return for the second Qualifier of 2026 under this Player's second-offense status.

11.2.6. **Fair Play Enforcement**

The Organizer reserves the right to conduct account reviews and investigations at any time throughout the Tournament. If a violation of the Terms of Service or Fair Play policies is confirmed, the Organizer may impose penalties in accordance with this section.

Any attempt by a Player to evade or circumvent a suspension, including through alternate accounts or third-party participation, will result in immediate disqualification and may lead to a permanent ban from all Clash of Clans competitions.

Penalties may be applied without prior warning and may include retroactive enforcement if a violation is discovered after a match or stage has been completed. The Organizer also reserves the right to take additional action where necessary to preserve competitive integrity and ensure a fair environment for all participants.

12. **Terms of Use**

All participants are subject to the Terms of Use conditions set forth by the Tournament owner, Supercell, which can be found [here](#).

13. **Finality of Decisions**

Finality of all decisions regarding the interpretation of these Rules, Player and Team eligibility, scheduling and staging for the Tournament and related events, and penalties for misconduct lies solely with Supercell and the Organizer. Supercell and the Tournament Organizer's decisions relating to these Rules and/or the Tournament

cannot be appealed. They shall not give rise to any claim for monetary damages or other legal or equitable remedies. These Rules may be amended, modified, or supplemented by Supercell and the Tournament Organizer from time to time to, among other things, ensure fair play and the integrity of the Tournament.
